

Welcome to the Sporting Club Network (SCN). You now have exclusive access to a variety of activities and events just for being a member of your club.

## WHAT IS THE SPORTING CLUB NETWORK?

The Sporting Club Network is a partnership of youth soccer clubs and Sporting Club, the parent company of Sporting Kansas City. This new and innovative program is free and provides you exclusive access to opportunities and events.

## HOW DO I PARTICIPATE?

All members will receive an email from Sporting Club, with directions on how to activate your Network membership. Once you have completed your Sporting Club membership profile, you will have access to all Network events. From there, participation is easy - just email [SCN@SportingKC.com](mailto:SCN@SportingKC.com) to RSVP for any Sporting Club Network event.

If you have not received an email from Sporting Club or do not have a membership profile, please contact Kristin Bock at [kbock@SportingKC.com](mailto:kbock@SportingKC.com).
